yourChoice

customized gifts

YourChoice is a concept that allows you to create a unique product in an easy way. By keeping main materials in stock a fast and qualitative delivery is guaranteed. Besides customization by mixing & matching with colours and materials you can elevate your customers satisfaction by taking personalization a huge step forward!

Fast delivery

In today's environment faster deliveries are becoming more and more important. Keeping at our factories an appropriate and wide level of materials in stock allows us to reduce our lead times to maintain this competitive advantage.

Small quantities

Creating a product that perfectly suits your customer's corporate style is also feasible for lower quantities! By holding inventories at the source we can meet the demand for smaller customization projects at a consistent price whilst safeguarding the correct quality.

Fully compliant

Above all, your gifts should always be safe. We can assure you any YourChoice customized gift will meet all relevant quality requirements. Your gift will be safe, socially compliant and environmentally respectful. Let us worry about compliance standards so you can spend your time on the fun part: creating the perfect gift.

Customize your gift

YourChoice offers you the best-selling product categories with a wide range of items ready to be customized. Throughout the catalogue we highlight design examples, to demonstrate just a small part of what is possible. Look for the icon and allow us to inspire you.

yourCap

Customize your cap

A cap has been a popular promotional item already for years and works as a perfect eye catcher during big events. Select any basic model and customize it to match your taste and preferences. YourCap offers a variety of caps and hats, from a classic one-size-fits-all baseball cap to a snapback cap or sun hat. Choose among many customizable features with a minimum order quantity of only 250 pieces!

The next level of personalization

A cap offers so many branding possibilities that you can let your imagination run free. Whether you prefer a label, a sticker, a simple logo or even an all-over print, the choice is yours. Take advantage of these endless possibilities and wear your brand with pride.

yourUmbrella

Customize your umbrella

A promotional umbrella makes for a great corporate gift, being both practical and stylish. An umbrella is a typical gift that people use and may even keep for many years. YourUmbrella allows you to choose the umbrella size, colour, material, handle and opening mechanism. Create it to match your style!

Print your umbrella

Whether you aim for a high impact with a full dye sublimation print or a tasteful single panel printed umbrella, it can be created according to your exact specifications.

yourBag

Customize your bag

Select any type of bag as an easy starting point of your customization process. Every bag offers you a wide range of styles to fit your needs. Select a standard colour or any PMS colour for the various sections of the bag, straps, zipper, pocket etc. You may even choose to add a label or laptop padding when applicable.

The perfect print

Designing a bag that matches your corporate style is only the beginning. Adding the perfect print is where you truly add value. A bag is a functional item that your customers will use on a regular basis and when they do, your logo will be on full display. Some bags even allow you to choose an all-over print; take the opportunity to stand out from the crowd!

Compliance & Quality Commitment

Because we care as much as you do about the importance of giving away a gift that meets all relevant quality requirements, safety is our priority.

Our goal is to provide you with promotional products which are consistently safe, socially compliant and environmentally respectful. It is our obligation towards today's consumers and for future generations.

We work with a dedicated Quality Control Department both in Europe and Asia and a strict Quality Assurance Policy to guarantee consistent quality of all our processes and products. You may also be interested to know that our products comply with the following directives and have passed the corresponding testing.

Additionally, we count on the support of third party external agencies to ensure that the testing carried out provides validation that we are working to best quality, social compliance responsibility standards from internationally recognised agencies. Our company participates in the Business Social Compliance Initiative (BSCI). As a BSCI Participant, our company is committed to the values and principles set out in the BSCI Code of Conduct and to meeting, within our sphere of influence, our responsibility to respect human rights. In this regard, it remains fundamental to our company's approach to integrate the BSCI Code of Conduct, when doing business with all our partners regardless of where they source in the world.
